

**Accreditation:** The University of Utah School of Medicine CME is accredited by the Accreditation Council for Continuing Medical Education to provide Continuing Medical Education for physicians.

**Designation:** The University of Utah School of Medicine designates this continuing medical education activity for a maximum of 1 credit hour in Category 1 of the Physician Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

**Faculty Disclosure:** The University of Utah adheres to ACCME Standards regarding industry support of continuing medical education, and disclosure of faculty and commercial sponsor relationships (if any) will be made known at the activity. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs, devices, or equipment in their presentations.

**ADA:** The University of Utah complies with the Americans with Disabilities Act by providing qualified individuals with disabilities access to University programs, services and activities. Reasonable prior notice is needed to arrange accommodations. Please call 581-5501 to request an accommodation.

**Responsibility Statement:** The University of Utah School of Medicine Office of Continuing Medical Education presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in the field.

**Attendance Records:** The University of Utah Office of Continuing Medical Education requires that all participants self-report participation in the CME activity. Certificates of attendance, designation the maximum number of hours or participation, are distributed to each participant after the CME activity. Replacement certificates can be obtained from the OCME by submitting a request for a replacement certificate accompanied by a \$10 fee.
